3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

College has created an ecosystem for innovations and has initiatives for the creation and transfer of knowledge. The college has provided financial technological and infrastructural support to the faculty member as well as students by creating platforms for various programmes, events, seminars/webinars, workshops, skill-based courses and research publications, for the creation and transfer of knowledge. The college has taken the following initiatives for an ecosystem of innovations and Knowledge transfer:-

- The college has created seed money for undertaking research projects for faculty members.
- There is a Research Center of Commerce and Management. Through which research scholars of several eminent institutes get associated with the creation of knowledge.
- There is an MOU signed with several institutes in the year 2020-21 for developing awareness, and training of staff and research scholars.
- The Knowledge Resource Center provides facilities for the creation of knowledge and research support through reference books, research journals, encyclopedia, reading room, OPAC system, Digital library- INFLIBNET, DELNET, and plagiarism software support. The college has also provided furnished ICT Facilities for knowledge transfer.
- The College has organized 4 Webinars and 2 Workshops and 1 Faculty Development Programme.
- The research center has provided seed capital for the faculty as well as students.
- The incentive provided to the faculty members to publish research paper in UGC Care Listed Journals
- There is an Innovation & Incubation Cell created (As per norms of the Centre for innovation, incubation, and Linkages at SPPU) in the year 2019-20, IPR and Entrepreneurship cell formed in the year 2020-21 and are registered.
