How to Upload Our Video Lecture on YouTube

Reports

Staff training program on 'How to Upload Our Video Lecture on YouTube' was organized by IQAC on 3rd May 2020 via Online Cisco Webex App. IQAC Co-Ordinator Prof. V. M. More initiated the workshop by introducing the session and background of the training program.

The guide for the said program was Prof. Kulkarni S. V. The objective behind organizing the training program was to overcome the obstacles faced by the staff members in conducting lectures via online mode. Hence, a better solution would have been to upload the recorded lecture on online platform.

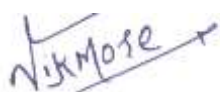

Total 30 members from the staff of college were present for the workshop.

In the session, the steps of uploading the pre-recorded video lecture were explained by the trainer through a power point presentation slide share. Later, a pre-recorded video lecture was practically uploaded on YouTube by screenshare from the YouTube Account of C. D. Jain College of Commerce. After the said demo the staff understood the steps of uploading video lecture on YouTube.

The session was conducted for 120 minutes wherein the doubts of the participants were also resolved by trainer at the end. At the end, vote of thanks was proposed by Prof. Bhavsar B.S.

How to Use Vriddhi Online Admission
Along with Online Payment Gateway
Report

Staff training program on 'How to Use Vriddhi Online Admission Along with Online Payment Gateway' was organized by IQAC on May 23, 2020 through online medium of Zoom Meeting App.

The training program was held under the Chairmanship of Hon. Principal L. D. Bhor. Prof. U.D. Lad, Vriddhi Software Solutions Pvt. Ltd. was invited to train the staff members. At the beginning of the program V. M. More introduced theme of the program and also welcomed the Resource person. There were 23 members present for the program.

In this program Prof. Mr. Lad explained the detailed procedure of using the Online Admission system by Vriddhi Software. Whereby, he practically showed each and every step, starting from the notice making till the final Roll Call list preparation. In the session he actually made few samples admission wherein the merit form and admission form etc. were created. Final merit list was generated and the admission was finalized of the sample used there.

After the details of Admission form Mr. Lad showed how the Online Payment Gateway is to be managed at the time of Fees collection through online medium. These sessions proved to be very helpful as is very important to maintain the social distance and avoid the direct contact with people. Online Admission and Payment Gateway for fees collection by Vriddhi Software Solutions is completely understood by Teaching and Non-teaching Staff, which reflected in the smooth and effective online admission of all the respective courses.

At the end Dr. Prof. Bawake B. B. proposed the vote of thanks.

How to make Online Lecture Videos
Report

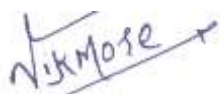

Staff training program on 'How to Make Online Lecture Videos' was organized by IQAC on April 25, 2020 via online platform of Zoom Meeting App. Total 22 members were present for the program. Y. V. Chandratre, HOD, Computer Department was invited to train the teaching and non-teaching staff of the college.

Hon. Principal Dr. L.D. Bhor was present for the inaugural function as Chief guest. IQAC Co-Ordinator Prof. More V.M. introduced the session first. Later, Trainer of the program Prof. Y.V.Chandratre took in charge and started to guide the staff members.

In his training Prof. Y.V.Chandratre briefed the steps of making a video lecture using the information technology tools effectively. Once the video lecture is ready next step is to upload the same on Online platform. Trainer explained the steps of making the video lecture. He also made sure that the attendees can actually perform the same task later by conducting the demo session for the same.

The session was overall a success as all the staff members now can upload the lectures online without any difficulties. Thus, it helps to continue the teaching process with no hurdles at all.

After the session Prof. Bhavsar B.S. proposed vote of thanks.

Online Faculty Development Programme on 'Educational Video Creation E-Content Development' 3rd to 8th AUG 2020

• About Programme :

The Covid-19 epidemic has brought the life to standstill. This has severely hampered the educational scenario. The future education sector will try to adopt the new tools and techniques which can use unconventional methods of teaching and learning.

Video lectures and tutorials are one of the most useful methods. But creating educational videos with appropriate content and quality is skilful work. There are several tools and methods available to create effective education videos.

The current training program aims towards imparting such skills to the teaching fraternity. This skilful teaching fraternity will be able to develop their own educational videos and distribute to the learners through appropriate online media for effective teaching and learning. Mode (Online): Video lectures, Hands-on, Discussion, Assignments, Tests. Participants will be issued E-Certificates on successful completion of Assignments and Tests. Submission of video created is mandatory.

Online Faculty Development Program

On “Educational video Creation and E-content development”

Objectives:

The corona virus has affected the global economy and normal life. Educational institutions are no exception to this .but Information and communication technology (ICT) is helping to run the education system smoothly. This is a very important step taken by many educational institutions from the point of view of students. Rayat Shikshan Sanstha is imparting education institutions to enhancing skills of students in rural areas through technology. For that C.D. Jain College of Commerce has organized Faculty Development Programme based on this topic has been taken by the institute. This subject is helping to run the education system on practical knowledge. This very important step has been taken by many educational institutions from the point of view of students. In order to provide practical information to the rural professors and teachers on this subject. This is six-day online workshop programme for on educational video production and content development at C. D. Jain College of Commerce, Shrirampur.

Details of Program as per follow

➤ Day First- 03rd- August-2020:

Introduction and valedictory program began at 10.00 am 03rd- August-2020. Dr. BB Bawke introduced all the guides and Guest. All the professors in the workshop are from rural areas.

In technical session basic Introduction was given to the basic equipment of the course and information about video editing software. Importantly, the same software that is free was included.

➤ Day Second – 04th –August-2020:

Dr. Gute Bhagawan was Guided on how to make a video as well as how to edit the video using different software. Such as Cinemaster, shoot cut, mavavi etc.

In the context of the software mentioned above, the entire practical information from downloading to video editing was given.

➤ Day Third- 05th - August-2020 - :
