## **1. GENERAL INFORMATION :**

### **1.1 Rayat Shikshan Sanstha, Satara**

C. D. Jain College of Commerce is one of the flourishing branches of Rayat Shikshan Sanstha, Satara. We are fortunate enough to have a rich heritage of the Rayat Shikshan Sanstha having high repute, committed to social justice and national integration. The Sanstha was founded by Late Padmabhushan Dr. Karmaveer Bhaurao Patil, popularly known as 'Karmaveer Anna'. Karmaveer Anna, who followed the footsteps of Mahatma Jyotiba Phule and Rajeshree Chhatrapati Shahu Maharaja, firmly believed that education is the panacea for the social and economic problems of the society.

The foundation of the Sanstha was laid by opening a boarding house for students of all religions, castes and creed at village 'Kale' in Karad block of Satara district in 1919. In 1924 the head-quarter of the Sanstha was shifted to Satara.

Rayat Shikshan Sanstha has an outstanding place on the educational map of Asian Countries. Like its emblem, the ever green banyan tree the Sanstha has spread up its branches in the form of 42 colleges, 675 branches which includes Primary and Secondary schools, hostels, technical schools, agricultural schools, ladies' hostels, Ashramshalas (Residential schools), and other branches. There are 16,172 teaching and non- teaching employees, and 4,54,165 students. The branches of Rayat Shikshan Sanstha are spread up in 15 districts of Maharashtra and 1 district of adjoining state Karnataka. The Sanstha stands for the symbol of the aspirations of the common people i.e. 'Rayat' "Education through self-help is the Mootto" and the Sanstha strongly advocates the dignity of labour. Like its symbol the lush green banyan tree the Sanstha has stood the test of time and is ever flourishing. The Sanstha has its own website which may be visited at [www.rayatshikshan.edu](http://www.rayatshikshan.edu).

### **1.2 Emerging C. D. Jain College of Commerce (From Teaching to Research)**

Our college popularly known as 'C. D. J. College' is one of the most flourishing branches of the Rayat Shikshan Sanstha, Satara. Shrirampur, which is a new township, developed and progressed basically as a business town. From 1940 to 1960 it was nationally known as 'gur' (Jaggery) market and from 1960s as 'Sugar' market. It has rail and road links with other major towns and cities. A number of sugar factories and M.I.D.C. have sprouted in the vicinity. Business men of varied religions have flocked into this town and therefore it has cosmopolitan atmosphere. The town is famous for its hospitals and various medical services.

The local traders and intelligentsia naturally felt the need of a college imparting commerce education. Rayat Shikshan Sanstha took an appropriate decision in June 1962 and established a separate single faculty commerce college at Shrirampur. A local social worker and businessman and philanthropist Late Chandrabhan Roopchand Dakale generously donated a sum of two lakh rupees. With the financial help of the local people and the grants from the University Grants Commission, the college is now fully flourished.

The college complex is located on a 16 acre plot. With a fully built up space of about 6642.40 Sq.m. it offers all modern amenities required for the all-round development of the students. The college has all modern facilities such as hostels for girls, library, reading hall, ladies room, seminar hall, audio-visual library, computer and Wi-Fi facility, gymnasium,

multi-purpose hall, play grounds, staff quarters etc. Apart from undergraduate and postgraduate courses in commerce the college offers Common Proficiency Test and other skill oriented short term courses are also conducted by the college. In the year July, 2019 NAAC, Bangalore, has re-accredited our college with 'A' Grade with CGPA 3.14.

From June 2007 the college has been sanctioned Research Centre in Commerce by Savitribai Phule Pune University. This centre runs M.Phil and Ph.D. Programme.

A student admitted to XI class can pursue his studies right up to M.Phil and Ph.D. From June 2007 the college has launched the UGC sponsored 'Career Oriented Programme in Marketing', 'Banking', 'Office Automation' and 'Agro Business Management'.

The college has a separate Competitive Examination Cell. The desirous students are trained for UPSC, MPSC, Bank Exams and other competitive exams. From June 2007, more stress is being given on Soft Skills Development Programme along with training in communication skills to enhance the employability of the students.

## **2. Goals and Objectives:**

C. D. Jain College of Commerce is one of the forty two colleges run by the Rayat Shikshan Sanstha and is affiliated to the Savitribai Phule University of Pune. The college has its own goals and objectives and also strives to achieve the ones set by the Rayat Shikshan Sanstha and the University of Pune.

Along with the overall development of the student and shaping his destiny the Rayat Shikshan Sanstha firmly believes in the upliftment of the rural community in general and the downtrodden in particular. With this aim, the Sanstha has penetrated into rural, hilly and uncommunicable areas of Maharashtra. Most of our students come from very poor families and are generally first generation learners. Our aim is to retain these students in the educational stream by providing them care and guidance and also 'Earn and Learn Scheme' for the needy. The motto of the Sanstha is 'Education Through Self Help'.

The college is affiliated to the University of Pune, which is one of the leading universities in the country and which has been accredited 5-star status by the National Assessment and Accreditation Council (NAAC).

The motto of the university is यः क्रियावान् सः पंडितः (One who dares to act is the real pandit or scholar). The university believes in the use of knowledge for economic and social progress. Like Rayat Shikshan Sanstha, the university is vowed to eradicate social evils such as casteism, illiteracy, superstitions and socio-economics disparity.

With a firm belief in the above goals and objectives the college through its educational and co-curricular activities, is striving to achieve these cherished dreams. Ours being a solely commerce college, more stress is laid on the employability of the students. The term commerce as is normally defined, includes, trade and aids to trade.

## **16. COMMON PROFICIENCY TEST (CPT)**

To offer an opportunity to the students passing HSC examination to decide their careers earlier, we have introduced C.P.T. from last three years. Talented students having requisite aptitude and willingness to work harder are advised to take this course. Our college is an accredited centre by the Institute of Chartered Accountants of India (New Delhi) for running regular CPT course.

### **University Schemes –**

Following Schemes are introduced by the University of Pune for the benefit of College Students.

**Faculty of Commerce & Management**  
**Structure for Three - Year**  
**B.Com. Degree course (Choice Based Credit System)**  
**(2019 Pattern)**  
**With effect from June 2019**

**Preamble:-**

Commerce education is that area of education, which develops the required knowledge, skills and attitudes for the handling of Trade, Commerce and Industry. Commerce education is entirely different from other disciplines. Hence, it must chart Course routes to service the aspirations of the nation. To meet the growing needs of the business society, there is greater demand for sound development of commerce education. The relevance of commerce education has become more imperative, this means a marked change in the way commerce and management education is perceived in India. The Commerce education is dedicated to developing tomorrow's leaders, managers, and professionals.

The existing education system of imparting commerce education needs to be more dynamic to incorporate all local and global changes in the field of trade and commerce. The curriculum needs to be restructured accordingly. The learning inputs are required to be more update, skill based and with appropriate applications. This will be achieved through the introduction of Choice based Credit System at undergraduate level.

The choice based credit system offers a cafeteria approach where the students have the liberty to choose courses of their own choice. The credit system allows students to opt for additional courses where he /she can score more than the required credits. The system will focus on student centric learning methods, which include use of Information and Communication Technology, innovative methods of teaching and learning and emphasis on industry interaction to enable the learners to take up professional challenges more effectively.

## 11. STRUCTURE OF TRANSCRIPT:

**Conversion of percentage into credit(s) and grade(s):** The following illustrations could be taken as an example for computing SGPA and CGPA from percentage to credits for Honours courses in all disciplines, degree Program courses in Science subjects and degree Program courses in Humanities, Social Sciences and Commerce subjects:

### 1. Percentage to Grades and Grade Points

The following formula may be used to convert marks (%) into letter grades.

Let  $\bar{X}$  = mean of % age marks of all student appeared in the paper.

$\sigma$  = Standard deviation

m = % of marks obtained

Letter grade	Numerical grade	Formula
O (outstanding)	10	$m \geq \bar{X} + 2.5\sigma$
A+ (Excellent)	9	$\bar{X} + 2.0\sigma \leq m < \bar{X} + 2.5\sigma$
A (Very Good)	8	$\bar{X} + 1.5\sigma \leq m < \bar{X} + 2.0\sigma$
B+ (Good)	7	$\bar{X} + 1.0\sigma \leq m < \bar{X} + 1.5\sigma$
B (Above average)	6	$\bar{X} \leq m < \bar{X} + \sigma$
C (Average)	5	$\bar{X} - 0.5\sigma \leq m < \bar{X}$
D (Pass)	4	$\bar{X} - \sigma \leq m < \bar{X} - 0.5\sigma$
F (Fail)	0	$m < \bar{X} - \sigma$
Ab (Absent)	0	

\* Minor variations may be adjusted by the individual institution.

- 1 A student obtaining Grade F shall be considered failed and will be required to reappear in the examination.
- 2 For non credit courses 'Satisfactory' or 'Unsatisfactory' shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.
- 3 The Universities can decide on the grade or percentage of marks required to pass in a course and also the CGPA required to qualify for a degree taking into consideration the recommendations of the statutory professional councils such as AICTE, MCI, BCI, NCTE etc.,
- 4 The statutory requirement for eligibility to enter as assistant professor in colleges and universities in the disciplines of arts, science, commerce etc., is a minimum average mark of 50% and 55% in relevant postgraduate degree respectively for reserved and general category. Hence, it is recommended that the cut-off marks for grade B shall not be less than 50% and
