* About TERI

The Energy and Resources Institute (TERI) is an independent, multi-dimensional organization with research, policy, consultancy, and implementation capabilities. It has pioneered conversations and action in the energy, environment, climate change, and Sustainable Space for over four decades.

The institute's research and research-based solutions have had a transformative impact on industry and communities. Headquartered in New Delhi, it has regional centers and campuses in Gurugram, Bengaluru, Guwahati, Mumbai, Panaji and Nainital. Supported by a multi-disciplinary team of scientists, social sociologists, economists and engineers and state-of-the-art infrastructure.

Students and youth play significant roles as building blocks of society. They are an important source of creativity and enthusiasm and are drivers of social change. Realizing that an environmentally-conscious society can be created only if youth are empowered with
