

3.2.1 Achievements in Innovation, Research, and Knowledge Transfer (2023-24)

The academic year 2023-24 has been a milestone year for our institution, marked by significant achievements in research, innovation, industry-academia collaborations, and skill development. The following highlights showcase the key activities and outcomes that contributed to the growth of our institution and our students.

1. Recognition of Student Excellence: Rohan Shitole Deepak's Selection

One of the most significant achievements of the year was the selection of Rohan Shitole Deepak, a student from our institution, for the 16th Maharashtra State Inter-University Research Convention Avishkar Competition 2024. Rohan was selected to represent Savitribai Phule Pune University at the prestigious event held at Maharashtra University of Health Sciences. His research project was recognized for its innovative approach and contribution to the field, reflecting the strength of our institution's focus on nurturing research talent among students. This accomplishment not only highlights Rohan's individual talent but also emphasizes the growing importance of student involvement in high-level academic competitions.

2. Intellectual Property and Innovation Initiatives (See 3.2.2)

Our institution remained committed to promoting innovation and intellectual property rights (IPR) through various workshops. These initiatives were designed to equip students and faculty with the knowledge required to protect their creative works. The One-Day Workshop on Patent Filing Process and Prospectus, conducted on January 16, 2024, saw active participation from 103 attendees, with a second session held the same day attracting 31 participants. These workshops provided valuable insights into the patent filing process, empowering participants to safeguard their inventions and innovations.

Workshop Name	Number of Participants	Date
One-Day Workshop on Patent Filing Process and Prospectus	103	16-Jan-24
One-Day Workshop on Intellectual Property Rights-New Paradigm	31	16-Jan-24

These workshops were part of a broader initiative to foster a culture of innovation within the academic community.

3. Research Development and Academic Contributions

Our faculty members have continued to make substantial contributions to the academic world through books, chapters, and research papers. Key academic contributions include:
