Department of BBA (CA)

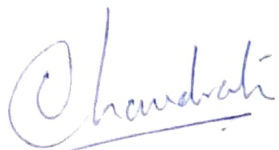

**Guest Lecture on Subject 'C-Programming'
Report**

The Department of BBA (CA) conducted a guest lecture for first year students on subject "C-Programming" on 21st Sept 2022.

First of all, at 11:30 in the morning HoD of BBA (CA) Department Mr. Yogiraj Chandratre gave an introduction of guest and also wished for the guest lecture.

The resource person Dr. Manojkumar Langote (Principal, Mahila Mahavidyalaya, Kopergaon & HoD-MCA PIRENS IBMA, Loni) spoke on topics- Basic introduction of various programming languages, history of C programming language, structure of c program, looping statements like for statement and while statement. He said that though there are different languages useful for writing specific types of code, but the C programming language is the most universal and beneficial language. He also explained student learning C could help them to develop their skills that will benefited throughout the professional career by simplifying the process of learning additional programming languages in the future. Dr. Langote made the session very interesting by sharing various logical tricks involving in c programs.

The session was very interactive and ended with many students requesting for more such sessions.
