Hello Sir/ Madam.

About Pay After Placement

Pay after placement is the red carpet way to land in your dream job. The Pay After Placement course structure is specially designed to assist you with learning skills relevant to industry requirements. This initiative is specially launched for clearing all the hurdles faced by the students to achieve success.

Under the Pay After Placement scheme, the student need not pay the fee until the student gets placed. So you can attend the course and there is no fee involved during the training period. You will begin paying from the time you get your first salary after you join an organization paying you 4 LPA or more.

Our course structure covers all the extensive requirements of being a developer in the corporate world. We begin from the roots so you need not worry about knowing programming languages. All you have to possess is sincere commitment towards learning and we assure, you would fly with bright colors.

Kindly Check attached file for more info.

Report

One Day Workshop

on

Training and Placement Program on Cyber Security and Cloud Computing

Resource Person:

1. Mr. Rohit Kharat (Founder & CEO of ITKART, Ethical Hacker, Cyber Security Expert & Advisor, Defence & Police Trainer).
2. Mr. Sachin Chavan (Career and Development manager, ITKART).

Participation: All BBA(CA) Students

Day & Date: Thursday, 9th March 2023

Time: 11:00AM onwards

Venue: Seminar Hall.

Objectives of the Workshop:

- To understand the concept of Cyber Security and Cloud Computing.
- To make the students aware about job opportunities in Cyber Security and Cloud Computing.

The one day Workshop on Training and placement program on Cyber Security and Cloud Computing was organized by BBA(CA) Department with IT KART, Pune on 9th March, 2023. The workshop was opened at 11:00 A.M. with a welcome statement by Assistant Professor, Mr. Chandratre Y.V. Total 148 students were present for the workshop.

During the workshop resource person Mr. Rohit Kharat discussed about basic concepts of cyber security. Mr. Rohit shared and discussed real case studies related to Cyber-attacks and Cyber-crime. During the session he also

covered topics like Architecture of Internet, Securing email accounts, Importance of password selection, securing social media accounts, structures of DDoS attacks and types, also about safe online transactions. Students also learned about steganography, and various other way of hiding and spreading information and malware. Attacks like phishing, spoofing, Trojan, backdoors, worms etc. were also demonstrated.

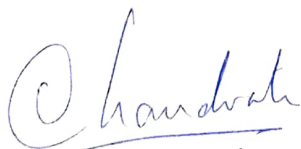

Mr. Sachin Chavan explained about their own organization which is actively recruiting Certified and Skilled Cyber Security professionals to protect their client's systems and data from cyber-attacks. Irrespective of the domains such as IT, Banking, Health, Businesses, E-commerce, etc., Mr. Sachin Chavan motivated the students to study cyber security and cloud computing. He further said that students who are interested should contact us, we will provide free training facility and placement to such students.

Principal Dr. Suhas Nimbalkar, chairperson of the workshop suggested students to make their interest for such training programs and grab the opportunity which college has made available for you. He also shared various career opportunities in IT field with students.

Some of the highlights of the presentation are as follows:

- Cyber Security and Cloud Computing
- Training and placement
- Roles & Career Opportunities

Mr. Lande R. D. delivered vote of thanks and officially closed the workshop.
